see what makes our Canadian-made custom table covers better

FAST COMPLETION

Most orders are ready in about 5 business days and even faster rush service is also available. We do all production to avoid missing deadlines - no excuses!

NO PRINT AREA LIMITATIONS

You're not limited to a certain image size print area in the print. Your logo / graphics can go full bleed edge to edge and we can print any background colour with no limits

FLAME RETARDANT FABRIC

Our fabric is inherently flame retardant and meets the NFPA701 standard (certificate provided) which many exhibit halls and public spaces require

ULTIMATE DURABILITY

Our extended life dyes permanently dye the fabric and last through dozens of wash cycles just like your clothing - unlike cheap competitors

RECYCLED "WATER BOTTLE FABRIC" AVAILABLE

You can choose our amazing 100% recycled fabric made entirely from PCW plastic water bottles

TOP QUALITY FABRIC

Our premium level 220 gsm (6.5 oz/yd²) weight 100% polyester fabric is over 60% better density than some well known competitors' flimsy 137 gsm (4.0 oz/yd²) fabric

CUSTOM MADE TO ORDER SO IT FITS JUST RIGHT

Whether you need a cover to fit a standard table size or your table is an odd size, we'll make sure it fits your table like a tailored suit

HIGHEST QUALITY DYE SUBLIMATION PRINTING

Superior to traditional fabric printing methods - the clarity, colour vibrancy and image quality of our high tech printing is unmatched

WASHABLE, IRONABLE, WRINKLE-RESISTANT FABRIC

100% polyester knit fabric keeps looking great even after lots of use and doesn't wrinkle easily

NO MINIMUMS

Order any quantity you want - even just one

PROFESSIONALLY SEWN

Proper double-layer hems and smooth seams for the best appearance and enhanced durability

NO COLOUR LIMITATIONS

Since we use a digital process to print these table covers, it doesn't cost extra based on the number of colours involved so you can get creative with the foreground and background colours for maximum impact

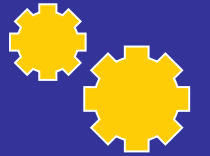

TURN YOUR BORING DISPLAY TABLE INTO VALUABLE ADVERTISING SPACE

Now you can get long-lasting, Canadian made easy care fabric table covers custom made to order, usually in just 5 business days! They're permanently dyed with your logo, photography or any content you want for maximum visual impact. Our digital technology has amazing quality and you're not limited to a certain number of colours or a small image area. You choose what areas you want printed - the entire table cover can be used to communicate your message!

PROUDLY MADE IN CANADA

We use raw fabric from USA mills, then do all printing (dyeing) and sewing for outstanding quality with no unwanted surprises

GOT QUESTIONS?

Call us now at 1-888-530-5400 to speak with one of our representatives in Canada. We're easy to reach and you won't have a hard time communicating with us!

EASY ONLINE ORDERING

Order your custom table cover easily online or with one of our representatives - it takes just minutes to get your custom printed table cover order going!

NOT SURE ABOUT DESIGN?

You can either have your designer do the graphic setup work using our Adobe Illustrator template (which we'll send you) or choose to have us professionally prepare your graphic layout and proof to you before production. Either way it's easy!

custom made **table covers** details & specifications

FABRICS

- 220 gsm (6.5 oz/yd²) 100% polyester knit fabric (wrinkle-resistant, flame retardant passes NFPA 701 Small Scale & California Reg#F-50001)
- 163 gsm (4.8 oz/yd²) 100% Recycled "Water Bottle Fabric" made entirely from 100% Repreve® Polyester yarn and 100% Post-Consumer waste (PET plastic drink bottles). It meets FTC guidelines for recycled products, is suitable for "green marketing" projects and is flame retardant (passes NFPA 701 Small Scale test). Note that this recycled fabric only comes in white (but it can be custom printed any colour you want).

STANDARD FABRIC COLOURS

WHITE	BLACK	BRIGHT BLUE (like Pantone 286C)	ROYAL BLUE (like Pantone 647C)
NAVY BLUE (like Pantone 2955C)	ATOMIC RED (like Pantone 200C)	COGNAC YELLOW (like Pantone 124C)	DARK GREEN (like Pantone 3435C)
KELLY GREEN (like Pantone 3486C)	GREY (like Pantone 423C)	RECYCLED WHITE	

STANDARD TABLE SIZES / SHAPES

- 6' Rectangular Table:
table top dimensions 72" wide x 30" deep x 29" high
- 6' Rectangular Shallow Counter (24" deep):
table top dimensions 72" wide x 24" deep x 42" high
- 6' Rectangular Deep Counter (30" deep):
table top dimensions 72" wide x 30" deep x 42" high
- 8' Rectangular Table:
table top dimensions 96" wide x 30" deep x 29" high
- 8' Rectangular Shallow Counter (24" deep):
table top dimensions 96" wide x 24" deep x 42" high
- 8' Rectangular Deep Counter (30" deep):
table top dimensions 96" wide x 30" deep x 42" high

We also regularly make covers for 4' tables, round tables and even custom size table covers to fit virtually any size table. Please contact us if you need pricing for a size not shown.

BACK STYLE

- Open Back: the fabric ends just over the back edge of the table. It's best for a lower cost option or if people will be seated behind the table. Open back covers are supplied with plastic edge clips to hold the cover in place on slippery tables
- Closed Back: the fabric goes all the way down and ends just 1/2" off the floor. It's best to cover unsightly storage under the table or for branding all the way around in centrally-located tables

CORNER STYLE

- Fitted style has a crisp, tailored look and presents a clean, modern appearance
 - Drape style has a loose, flowing look and presents a traditional, elegant appearance
- Either style can fit on various table sizes with just some minor tucking under of fabric

PRINT METHOD

We permanently dye white fabric using dye sublimation printing technology. This is considered the best method for vibrant colours, soft feel, and long life. Plus, we use only extended life dyes that make our table covers look great even after 20 washings. Since it's a digital process colour production method the number of printed colours does not affect the price. We can even print Pantone PMS colours with exceptional colour accuracy.

PRINTED GRAPHICS / CONTENT

You can choose what areas of the table cover are custom printed with logos, text, photos or special background colours. Any areas of the table covers that are not custom printed use one of our plain unprinted standard fabric colours with nothing printed on it:

- (n) NO custom printing
- (f) FRONT custom printed
- (fs) FRONT & SIDES custom printed
- (fb) FRONT & BACK custom printed
- (ft) FRONT & TOP custom printed
- (fbs) FRONT, BACK & TOP custom printed
- (fts) FRONT, TOP & SIDES custom printed
- (a) ALL custom printed

CARE AND CLEANING

Since our table covers are permanently dyed into 100% polyester fabric they are easy to care for. Machine or hand wash in cool water using mild detergents and tumble dry on a delicate setting. If you need to iron, use a polyester setting.
